

Building a Healthy Meal

The formula is simple: 1 wholegrain carbohydrate + 1 protein + a truckload of veggies!

Carbohydrate

Wholegrain bread

Crackers

Microwave rice cup

Steamed or baked potatoes

Wraps

Pasta

Protein

Boiled eggs

Shredded chicken

Tofu

Canned tuna

Canned tuna and beans

Chickpeas

As many vegetables as you like

Coleslaw kits

Salad kits

Canned

Frozen

Fresh

Try these sauces

- Vinaigrette
- Balsamic Vinegar
- Sriracha
- Tamari
- Mustard
- Tabasco Sauce

As a guideline, select sauces that contain **less than 400mg/100ml sodium**.

Examples to try

Mexican Bowl

Beans and rice + wholegrain tortilla chips + can of corn + mashed avocados and chopped tomatoes.

Tuna Salad

Can of tuna + precooked potato + hardboiled egg + salad mix + vinaigrette.

Pasta Salad

Pasta pouch + precooked/roast chicken + spinach + tomato + cucumber + dressing of choice eg pesto or balsamic vinegar.

Tofu rice bowl

Marinated tofu + microwavable rice + steamed frozen vegetables + dressing of choice eg tamari or sriracha.
